RE: *Carby V. Haidt et al.*

3:18-cv-01120, 18-2596, 3:16-cv-644?

Dear Sir:

This letter is to inquire did you investigate the fraud Motion for Reconsideration listed as Docket Entry No 13, for his Memorandum, and Order of June 2018, 28th to be exact. This was a fraud as I did not this Motion excuse me submit this Motion. I am still under real/neural impulse control. These people at this prison are out of control, as this technology can kill someone. They are basically using it to torture people.

The Superintendent is doing nothing about it nor is anyone else for that matter. Truthfully I suspect that suicide cluster where over people took their lives at least some of them can be attributed to this by tapping into the brain system this agent was used against me to get me to drop 5:18-cv-132 *Carby V. Haidt et al.*

Someone needs to call on the Court to stop them, and intervene on our behalf. Have

Someone else gets hurt. Thank you very much, have a wonderful day!

P.S. This case concerns no other action.
